Does InstaShare support content projection from Chrome OS devices to interactive . Where can I download InstaShare App for Android/iOS/Windows/MAC OS?. Can I use my laptop's on-screen keyboard on a BenQ interactive display? How can I use Miracast to cast my Windows screen to a BenQ device? A: Instashare is a useful application for you to control the installation and use of software on your device. It is a similar to Pangu or MiTunes. It is available for Windows, Android, iOS and Mac. Q: javascript confirm box show icon only if cancel was clicked I have a asp.net confirm box with yes/cancel options. For each confirm, i want an icon to appear on the left only if cancel was clicked. So the cancel button simply tells the confirm box to cancel, and leaves the user alone, and the icon only appears on the left for all confirm boxes. I tried this: `$(function () { $('confirmation-box').click(function () { $(this).addClass('toShown'); }); });` but it's been a few years since I did jQuery, and my javascript is rusty. Is there a correct way to do this? Thanks A: Q: How to optimize bitmasks for performance? I am currently trying to optimize some operations and was wondering what would be the best (in terms of performance) way to perform something like this: `int i1 = bits&(1`
